**Important! Please print out the directions from *all* locations, not just your own. The reason is that directions from one location may continue onto directions from another location.**

1. Take U.S. Route 36 and get off at the Superior / Louisville exit. This is also the exit for McCaslin Boulevard and West C170.

There are two exits for Louisville. If you are approaching the Superior – Louisville exit from the west, it's the first Louisville exit. If you are approaching from the east, it's the second.

3. Immediately after passing a 7-11 convenience store on the right, turn left into a divided driveway with a little row of trees running down the middle. As you start west on the divided driveway you will notice a Quizno's on the right and a Dairy Queen on the left.
4. Drive west on the divided driveway for about 100' to a "Y" in the parking lot.
5. At the "Y" bear left and drive another 100' to a stop sign.
6. Straight ahead you will see our building. It has a large number 357 on the side. A smaller sign in front of the building reads "Executive Suites of Louisville."
7. Walk or take the elevator to the second floor where you will enter the waiting area.

8. If the receptionist is on duty, check in with her. If she is not on duty, just have a seat.
9. If you are here for the first time, you have been asked to arrive 45 minutes before your appointment in order to fill out some forms and take several inventories. You will find these on the receptionist's counter on a clipboard with your first name on it. If your partner is with you, there will also be a second clipboard with his/her first name on it.
